

LOOP® Organizers

Very flexible, easy and strong. These three points make the KOHLHOFF LOOP® Deck Organizer so unique. There is no problem anymore, to add a new halyard or any other rope. Just add an additional brick and your job is done. The KOHLHOFF LOOP® Organizer can also be used as a Padeye or fairlead. Made of hard anodized aluminium alloy, they are very solid and proof against saltwater, sand and UV radiation.

Our KOHLHOFF LOOP® Organizer is available in two different sizes and any different length you like!

LOOP® Organizer 13-26, base brick with blind thread

Additional bricks can be added

LO 18-26 as a triple version mounted on deck
